Re: United States v. Paul Maiolini,
15 Cr. 419 (PKC)

Dear Judge Castel:

I represent Paul Maiolini, the defendant in the above referenced matter. Mr. Maiolini was sentenced by the Court on October 1, 2015, to 48 months imprisonment and three years of supervised release. The purpose of this letter is to respectfully request that the Court authorize early termination of Mr. Maiolini's supervised release. Both the Probation Department and the U.S. Attorney's office have been consulted regarding this request and they consent. Mr. Maiolini was released from custody on March 27, 2019. Since that time, he has successfully completed programs in anger management and drug treatment and has consistently tested negative for all substances. Further, Mr. Maiolini has been gainfully employed since that date as a steel worker with local 40. As a result, it is respectfully requested that the Court remove this case from the Department of Probation's caseload and authorize early termination of the defendant's term of supervised release. The Court's time and attention to this matter are greatly appreciated.

Respectfully submitted,

/s/

John A. Diaz, Esq.
